

PROPOSED AS LEVEL COURSE

In the table below please list the names of the AS Level courses you wish to follow in the Lower Sixth Form and indicate which of these subjects you wish to continue to A2 Level in the Upper Sixth.
(Do not include General Studies).

Subjects to be taken at AS Level in the L6th	Subjects to be taken at A2 Level in the U6th

Additional Information to Support your AS/A2 Level Choices.

Please list other subjects you may consider studying should your chosen courses be full.

Special Consideration

The admissions criteria give consideration to pupils who are Looked After Children, then those who have medical or social grounds. Please give details here. **You must also attach appropriate professional evidence to this form.**

Admission Criteria for Entry into the Sixth Form in September 2012

The School admits both young men and women based on their performance in GCSE examinations.
 The minimum entry requirements are:

- Average Point Score of 47.8 at GCSE using the best 8 GCSE results;
- Either at least a Grade A at GCSE in the subjects to be studied at AS Level, or the special entry requirements have been met for specific subjects;
- Subjects chosen at AS/A Level must form a coherent two year course.

Twenty boys or girls, depending upon the uptake of places by internal candidates, may be admitted to the Sixth Form from outside the School.

Students who meet the minimum entry requirement are selected according to the following criteria:

- a. Looked After Children;
- b. Those who have medical or social grounds for admission supported by appropriate professional evidence;
- c. Those progressing from Year 11 at WCGS;
- d. Those progressing from Year 11 at other schools in rank order of performance at GCSE.

It is important for external applicants to note that places are offered in rank order and that meeting the minimum entry requirement does not automatically mean that a place will be offered. The Admission Criteria include a minimum standard of entry but in practice, given the level of competition, most applicants achieve **more highly**. **It is also important to note the special entry requirements for specific subjects.**

External applicants to the Sixth Form are advised to complete this Application Form and return it to the School by **February half term**. **Confirmation of predicted grades must be submitted and this can take the form of 'mock' GCSE examination results or a document confirming predicted grades from a member of staff.** WCGS does not chase schools for confirmation of predicted grades. No other information is required. External applicants expected to meet the grade for entry will be invited to a meeting in March/April when further information and advice will be provided regarding subject choices.

On publication of GCSE results in August, places will be offered in accordance with the Admissions Criteria.

Applicants will be required to bring their official GCSE results into the School on GCSE results day. Results will be processed and successful applicants will be informed by telephone or email later that day or the following day. Successful applicants will be asked to come into school for an interview regarding subject choices and timetabling. Students of Sixth Form age may make their own application for a place.

Please return your completed form by post or by hand. It cannot be submitted electronically. **It is your responsibility to ensure this completed form is received by the required date.**

If you require an acknowledgement of receipt of the application form please provide a stamped addressed envelope / or postcard marked WCGS on the reverse. Please note that forms sent by post with underpaid stamp duty will not be accepted by the school. Large envelopes require a large first class stamp.

Signature of Applicant:Date:.....

Please return your completed form to: **Sixth Form Admissions 2012, Wallington County Grammar School, Croydon Road, Wallington, Surrey, SM6 7PH**
